## **Digital Animator/3D Graphics Designer**

### **OBJECTIVE**

Seeking employment opportunities in the field of Digital Animation, webpage development or general 3D design. Skilled at organized, independent working and possesses strong self-motivation. Long experience in Mac/Windows/Unix operating systems, wanting to utilize creativity for developing 3D visual media and animations.

### **TARGET JOB**

**Desired Job Type:** Employee

**Desired Status:** Full-Time

**Description of my perfect job:** Handle large dynamic work orders and/or small compact jobs. Desk job with own computer, but regular interaction with others requested. Challenging projects and logical-puzzle tasks are welcome. A need to prioritize multiple tasks a reasonable request.

**Career Level:** Entry Level (less than 2 years of experience)

**Date of Availability:** Immediate

### **TARGET COMPANY**

**Company Size:** No Preference

**Description of my ideal company:** Growing 3D animation/design company that is computer-based. Relaxed atmosphere between coworkers with sense of trust and respect. Friendly service, but dependable and honest. A good working, successful atmosphere.

### **EXPERIENCE**

*1/2004 - Present    MWST    Sandy, Utah*

#### **Modeler/Animator**

Design, model, texture, animate and render short animations of a patent pending product, for use in selling and visually describing an environmental conservation process. Working with designers and staff to modify and adapt animation to meet details of process specifications.

*8/2000 - Present    University of Utah, Marriott Library    Salt Lake City, Utah*

#### **Computer Lab Consultant**

Open/Close student computer lab; positively respond to crises which arise, i.e. Internet failure, computer crash and possible loss of projects, etc.; able to positively respond to any and all requests, questions, and comments in regard to Internet, printers, scanners, and application use of either Macintosh (OS 9/X) and PC (Windows 98/2000/NT/XP); clean all monitors, desks, hardware, printers, tables, etc.

*5/2001 - 7/2001    The Aspen Therapy Center, Inc.    Park City, Utah*

#### **Office Manager**

Take calls, make appointments, give therapists messages, call clients at therapists request; Keep schedules up to date, make requested phone calls for court referrals/dockets; provide reception for clients/get forms filled out, collect payment; maintain client files; maintain company finances: record payments, get deposits ready, prepare payment of bills; keep therapist's schedule and transcribe therapists notes; bill clients and follow up on those not collected in a timely manner; report to program director.

9/1997 - 6/1998 *University of Utah, Marriott Library Salt Lake City, UT*

**Instructional Assistant**

Assistant to the Instructional Division Head at the Marriott Library, University of Utah. Organized and posted class schedules for free Internet/library classes for students on campus. Coordinated with library faculty and staff for completion of multiple projects. Created web pages for the classes themselves and the specific signup procedure.

6/1996 - 8/1996 *University of Utah, Computer Center Salt Lake City, UT*

**Assistant to the Computer Center**

Maintained computer labs on campus. Worked with programs for keeping the consistency and maintenance of software on all computers.

**EDUCATION**

6/1997 *West Jordan High School West Jordan, Utah*

**High School Diploma**

5/2004 *University of Utah Salt Lake City, Utah*
